Regional Meeting for the Initiation of
a Regional Network for Microelectronics
in the ECLAC Region (REMLAC)*

Caracas, Venezuela, 3-7 June 1985

PROVISIONAL AGENDA

1. Opening of the meeting

2. Election of the office bearers

3. Adoption of the agenda

4. Exchange of information on national activities and plans in microelectronics and offers and requirements of regional co-operation

5. Background to the establishment of the network

6. Establishment of a network and the provisional modalities of its operation on a pilot basis.

   (a) Structure of the network;

   (b) Considerations for elaborating and implementing a programme of the network;

   (c) Identification of national focal points for the network

   (d) Identification of regional nodes for co-operation

7. Some initial issues for discussion:

   (a) Review of experience in informatics policies;

   (b) The interrelation between microelectronics and telecommunications in Latin America;

   (c) State of R+D and prospects for regional co-operation;

---

* Co-sponsored by SELA/and ECLAC

V.85-26130

(d) Public purchasing policies as an instrument for microelectronics development; and

(e) Arrangements for information exchange among network participants

8. Follow-up actions

9. Adoption of the report
